# WHAT IS NEG?

**National Erasmus Games** is a non-profit National Project of ESN Poland organised following the model of the Olympic Games, emphasising fair-play and the elimination of discrimination based on race, ethnicity, culture, sexual orientation, religion, or politics.

# SHORTLY ABOUT THE HOSTS

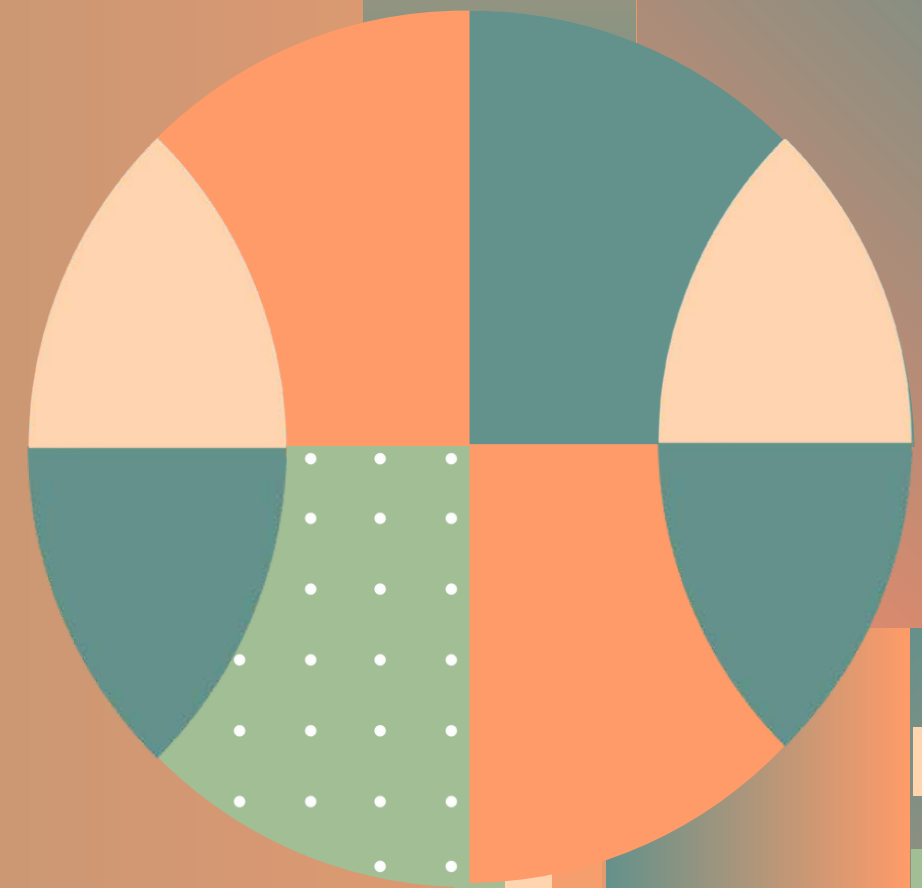

**ESN Gdańsk** – A section operating at Gdańsk University of Technology since 2001. It currently consists of nearly 130 members and organizes events such as Hel(l) Surfin' and Sailing Trip, which are very popular among Erasmus students from all over Poland.

**Gdańsk University of Technology** – It is currently the oldest technical university in Poland. The university consists of 8 faculties, with approximately 18,000 students enrolled in engineering and master's programs.

**Gdańsk** – It ranks sixth in Poland in terms of population and first in terms of area – 683 km<sup>2</sup>. It is the center of the Tricity metropolitan area, also known as the Gdańsk agglomeration, which, together with Gdynia and Sopot, forms the Tricity.

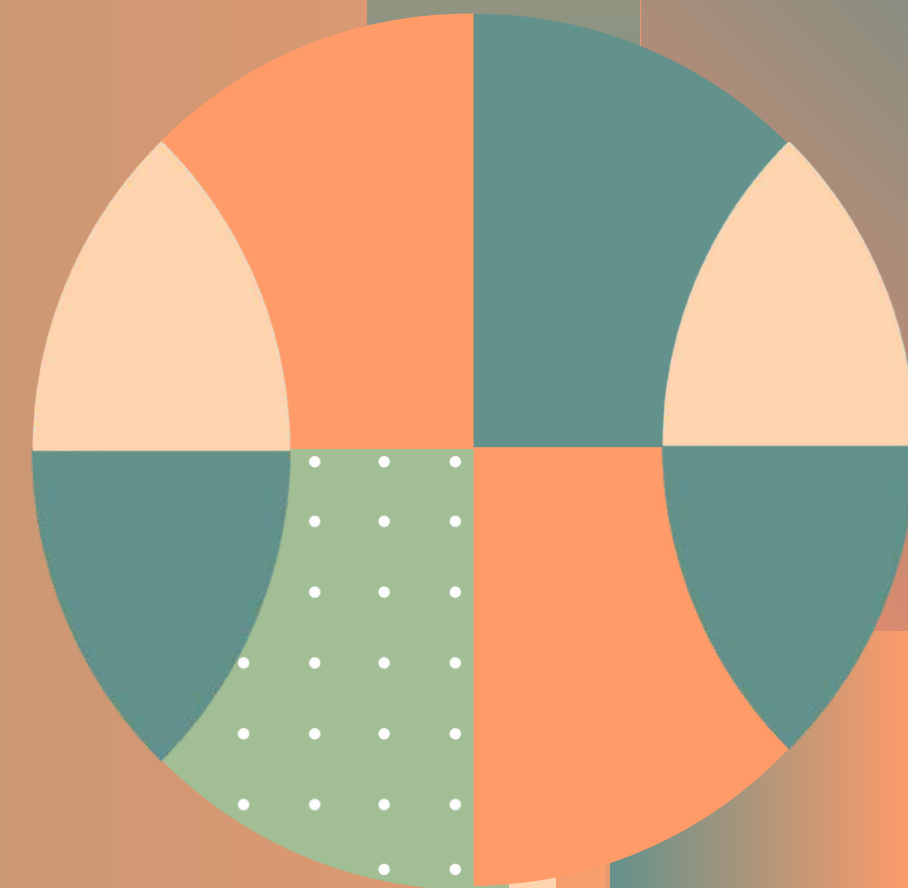

**campNEG** is a combination of a sports event with a camp, where first you will compete in the sports venue, and then relax&chill (no Netflix needed) and have a great time at the camp. Thanks to this, you will be able to feel like you are at a sports camp, where you are united by your passion for sports, meeting new people and competing at a national level. Surely, campNEG will be your best memory from Erasmus!

The "Jeziornik" Recreation Center in Borzechowo is located in the Tuchola Forest, by Lake Borzechowskie Wielkie, which attracts water recreation enthusiasts with its charm. It is a perfect place that invites visitors with its natural, forested landscape.
